COURSE OVERVIEW

PURPOSE OF THE UNIT STANDARD

Applicants who are preparing to obtain their learner driving licence require the skills, values and knowledge reflected in this unit standard. Learners who achieve this unit standard will demonstrate knowledge, relevance and meaning of road signs, markings and signals, rules of the road, controls of the motor vehicle and driver related issues.

A person credited with this unit standard is able to:

- Identify, categorise and qualify road signs, markings and signals.
- Explain specific rules of the road.
- Identify different controls of the vehicle and explain its uses.
- Explain driver responsibilities and duties in operating a vehicle.
- Obtain a provisional driving licence.

The achievement of this unit standard contributes to the exit level outcomes required for the National Certificate: Professional Driving at Level 3 and related qualifications. It further contributes to the professional development of learners within the road users environment and provides further mobility and portability within the field of Transport to improve road safety.

Specific Outcomes and Assessment Criteria:

SPECIFIC OUTCOME 1
